## ABOUT A JAPAN

Japan is an island nation located in East Asia, boasting beautiful nature that changes with each season. With distinct seasons, Japan sees cherry blossoms blooming in spring, cool sea breezes in summer, vibrant autumn foliage, and snowy landscapes in winter. Japan's culture and subcultures are also globally renowned. The country prioritizes safety, with lost items commonly returned, and emphasizes international exchange, currently progressing with a plan to host 400,000 international students.

Our Japanese language school is located in the vicinity of Tokyo, in areas such as Matsudo, Ryogoku, and Funabashi.

## BENEFITS OF STUDYING IN JAPAN

Studying in Japan offers the following benefits:

1. You can receive high-quality education.
2. There is potential for employment in Japan.
3. It excels in terms of the economy.

Why not consider studying in Japan?

JAPAN INTERNATIONAL INSTITUTE OF CYBERNETICS

The Japan International Institute of Cybernetics Japanese Language Department is located in Matsudo City, Chiba Prefecture. Since Matsudo City has universities and vocational schools, it is a student city with many Japanese and international students, making it relatively affordable to live in. The school building was recently constructed, so it is still new and very clean.

## Advancing to a specialized program

it's a Japanese language program at a vocational school, so you can focus on your studies while being mindful of advancing to a vocational school during your enrollment.

FUNABASHI JAPANESE LANGUAGE ACADEMY

The Funabashi Japanese Language Academy is located in Funabashi City, Chiba Prefecture, with excellent access to the city center. The number of foreign residents in the city has been increasing annually, and with numerous supermarkets and convenience stores around the school, even those visiting Japan for the first time can comfortably pursue their study abroad experience. Moreover, as the only Japanese language school in Chiba Prefecture offering a preparatory education curriculum, individuals who have not completed 12 years of education in their home country can qualify for admission to higher education institutions in Japan upon completing our curriculum.

## Meetings every three months

At the Funabashi Japanese Language Academy, we conduct exams every three months and hold interviews to ensure that students have a clear understanding of their current Japanese language proficiency level.
